INDEPENDENT AUDITORS' REVIEW REPORT ON CONDENSED INTERIM FINANCIAL INFORMATION TO THE MEMBERS OF TOWELLERS LTD

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Towellers Limited** as at **December 31, 2021**, and the related condensed interim statement profit or loss, condensed interim statement of comprehensive income, condensed interim statement of cash flows and condensed interim statement of changes in equity together with the notes forming part thereof (here-in-after referred to as the "interim financial information") for the half year then ended. Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for the quarter ended December 31, 2021 and December 31, 2020 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2021.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of the persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

The following observation came to our knowledge during our review of interim financial information:

a) The company has not accounted for the amount of Rs. 36,689,591 payable in respect of Gas Infrastructure Development Cess (GIDC) in the financial statements. Had the above amount been recorded in the accounts, the profit would have been decreased by Rs.36,689,591 and consequently the liability would have been increased by the same amount.

Qualified Conclusion

Based on our review, except for the effects of the matter described in basis for qualified conclusion paragraph, nothing has come to our attention that causes us to believe that the accompanying interim financial information for the half year ended 31st December, 2021, is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditor's review report is Mr. Zahid Hussain Zahid FCA.
